WORK EXPERIENCE

Edit Assistant | Silverfish Studios

October 2025 - July 2026

- Collaborated with senior editors on a range of projects for high-profile clients, including presidential campaigns and promotional videos.
- Independently created high-impact 60s social media cutdowns with quick turnarounds optimised for engagement across digital platforms.
- Executed finishing passes on projects before delivery, including colour grading, audio mixing, title cards and subtitling.
- Managed client review cycles directly with producers and the client, implementing feedback while maintaining strict project deadlines.

Production Assistant | Silverfish Studios

March 2025 - October 2025

- Ingested, logged and tagged hundreds of hours of footage, created proxies, and synced multi-cam audio to prepare organised bins and sequences for lead editors.
- Researched and licensed archive photo/video assets used in high-stakes political and campaign films.
- Acted as primary on-location media manager during multi-day shoots, executing end-to-end data backups and ensuring rushes reached the senior editor on time.
